

# FeenPhone

If you need any tech help and want to hire us or our friend, Link Porterfield, to help you, over the Internet, here are our areas of expertise:

.  
–Setting up and using FeenPhone, or configuring your computer network, [Derrick Slopey](#).

.  
–Setting up and using FeenPhone, or setting up a room as a studio, doing a podcast, doing radio, or audio gear choice and setup questions: Michael Dean (post a comment below and he'll get back to you).

.  
–Configuring your computer network, [Link Porterfield](#).
